Personal Profile

A highly motivated and keen learner with a strong interest in web development. I am currently seeking entry-level roles or apprenticeships and have gained some experience building my own website. I have used Wordpress, PHP, JavaScript, HTML and CSS to create responsive websites. I am keen to apply my learning now in a professional setting and grow into a confident and capable developer.

Key Programming Skills:

- Custom theme WordPress development
- HTML, CSS, JavaScript, PHP, Responsive design
- Advanced Custom Fields (custom post types, custom blocks, option pages)
- WordPress plugins (ACF, Cache, All-In-One migration)
- Experience with common development tools (VScode, Git and GitHub)

Experience

Front End Engineering Bootcamp (FreeCodeCamp)

(July - Present)

Modules completed

- HTML - Semantic HTML, forms, tables.
- CSS - Flexbox, Responsive design.
- JavaScript - functions, variables, arrays.

Mecca Bingo - Head Food Runner & Bingo Caller (Romford)

Nov 2023 - Sept 2025

- Taken leadership role with kitchen orders
- Worked in a team to ensure smooth running of daily operations.

Other work experiences include working in Sports Direct as a sales assistant in Stratford Westfield City.

Education

Valentines High School & SixthForm

9 GCSEs (Grades 5–9) including English Language and Mathematics.

A Levels in English, Sociology, Philosophy

Additional Information

I enjoy playing video games, video editing, coding and reading manga. I also play football competitively and have captained both my school and local football teams where I developed core leadership and teamwork skills.

Achievements & Extra-Curricular Activities:

- Form Captain: represented peers in meetings to improve the student experience.
- Competitive FIFA Player: Won local fifa tournaments.
